

Craig Smith Bio - 170 words

Craig Smith is an unstoppable force in live television, known for commanding both the stage and the screen with magnetic presence and unmatched storytelling. As the go-to host for global powerhouses like Google, HP, and Samsung, Craig doesn't just represent brands—he amplifies them, creating moments that resonate far beyond the event. With over 4,000 live television appearances, his charisma has lit up QVC, CBS Saturday Morning, and the Home Shopping Network, captivating millions and turning casual viewers into loyal fans.

A master of his craft, Craig blends sharp communication skills with the rare ability to forge deep, lasting connections. Whether pitching to Fortune 500 executives, energizing a packed auditorium, or guiding audiences through the excitement of live shopping, he transforms every interaction into an experience that inspires action. His conviction is clear: storytelling is the ultimate connector, capable of building communities and leaving a lasting legacy.

From boardrooms to broadcast studios, Craig Smith has proven time and again that his presence doesn't just fill a space—it ignites it.

Craig Smith Bio - 116 words
